Dear Madame just a line in answer to your most
welcome Parcel I received on the 19th of June which
is very acceptable. Thanking you very much for it
I am the only man of the Kings Royal Rifles
belonging to Captain Spotteswoode's company
in Sennelager. God had no comrades of the
Corps to distribute it amongst I would
like to know how the Captain is going on. I have
not seen him since October 31st. Yours Truly
